SUMMARY

I am a fifth semester undergraduate student of Computer Science major in BINUS University and i am currently taking intelligence system streaming. I'm passionate about Artificial Intelligence, Machine Learning & Big Data Processing. With my desire to learn something new, i aim to enhance my skills and gain valuable experience from my surroundings.

WORK EXPERIENCE

Part Time AI Teaching Assistant, Binus Center Bintaro Sokrates **September 2024 - Present**

- I serve as a part-time teaching assistant for an AI-driven curriculum, where I support the lead instructor in enhancing the clarity and accessibility of the material. My role involves ensuring that the content is effectively communicated to the participants, primarily companies & instance looking to transition towards digital transformation.

Math Tutor Volunteer, Teach for Indonesia **May 2024 - June 2024**

- Conducted teaching sessions for students from 1st grade to 3rd grade in mathematics.
- Developing a compact and appropriate curriculum for elementary school students.
- Collaborating with fellow teaching team members to deliver organized and effective teaching sessions.

Data Administrator Intern, PT. Central Warisan Indah Makmur **June 2022 - August 2022**

- Boosted team efficiency which resulted to a faster monthly financial report.
- Streamlined project workflows, enhancing overall efficiency by 25%.
- Led a team in successfully delivering a complex engineering project on time and within allocated budget.

EDUCATION

Bachelor of Computer Science | **GPA : 3.52** **Sep 2022 - Present**

Bina Nusantara University

- Streaming in Intelligence System.
- Activist of Himpunan Teknik Informatika BINUS 2023/2024 (Education Division)

Natural Science Major | **Grade : 91.5** **July 2019 - May 2022**

Darma Yudha Senior High School

- Learned about the living creature science and applied mathematics

ADDITIONAL INFORMATION

- **Technical Skills:** Machine Learning, AI, Web Development, UI/UX Design, Data Analytics
- **Languages:** Bahasa Indonesia, English
- **Certifications:** Machine Learning with Python, Python 101 for Data Science
- **Non - Technical Skills:** Collaboration, Time Management, Problem Solving, Critical Thinking
